

TYPES OF TRAVELLING

TRAVELLING BY PUBLIC TRANSPORT HAS GOT

Advantages

- it is cheaper if we have a season ticket
- eco-friendly
- we can meet friends
- fast (underground)

Disadvantages

- it can be crowded, noisy, stinky, no enough seats
- they run according to the time table
- a single ticket is expensive
- sometimes there are delays

TRAVELLING BY CAR HAS GOT

Advantages

- it is comfortable and fast
- there is no schedule
- it offers me much freedom
- we can stop where and when we want to
- you can travel from door to door
- it has a boot where you can pack your things

Disadvantages

- it is expensive
- it pollutes the air
- it is hard to find a parking place and parking is expensive
- its maintenance is expensive

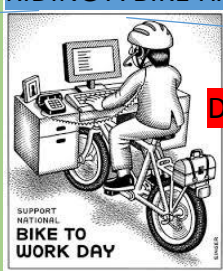

RIDING A BIKE HAS GOT

Advantages

- it keeps you fit
- it gives you pleasure
- it is eco-friendly
- it is cheap and fast in the rush-hours
- there are routes for cycling

Disadvantages

- it is horrible in bad weather
- it has no boot
- you have to wear sport clothes
- dangerous

TYPES OF TRAVELLING ABROAD

PACKAGE TOUR

- organized by a travel agency
- an agent organizes:
 - travelling /insurance
 - changing money/entrance fee
 - accommodation:
 - ❖ hotel/motel
 - ❖ guest house
 - ❖ apartment
 - ❖ student hostel
 - ❖ camp site: tent/caravan
- tour guide= less chance to miss a sight
- fixed programmes= less free time

INDIVIDUAL TOUR

- organized by oneself
- more free
- no fixed programmes
- we cannot get into some places unless in a group
